About Me

I am currently working as a Software Engineer and passionate about building products that loved by billions around the globe. I am hard working resource, team player and I have ability to work under pressure. I have good experience in creating Web UI, managing states and dealing with async data in React.js and can also developing Restful API's using node.js.

Expeirience

Software Engineer @ Gulzar Soft

Sep 2020 - Present // Gujrat, Punjab

- ▶ Write modern and performant code for projects.
- ▶ Build Web UI using React.js and with other 3rd party libraries.
